

INTERNSHIPS WITH SU

Scripture Union is passionate about empowering and equipping people for mission and service.

We offer a range of vocational training opportunities to develop your leadership and skills, stretch and grow your faith, and give you an amazing experience. An SU Internship is a great way to spend a gap year and impact young lives.

SU Internships offer a flexible learning and practical experience. Interns can specialise in ministry with **Children and Families** or with **Youth** and will serve in a placement in their church, a school, or with an SU ministry. An exciting opportunity for anyone in Victoria, or beyond, to start their ministry journey and make a real impact in the world.

The **Camp Coolamatong Internship** is a year-long learning experience, serving on school camps and living on-site at Coola. Training in leadership, building relationships, and gaining skills and qualifications in Outdoor Recreation or Christian Ministry.

You can make a difference today! Are you ready to transform your world?
