

Loving
God, please
help us not to
choose what is
wrong and brings trouble
on others or on ourselves.

Sorry that sometimes we find it
easy to choose wrong.
Thank you for not giving up
on us. Thank you for
forgiving us and
helping us out
of our
trouble.

Help us,
God, when we are
surrounded by those
who are suggesting that
we try things that are against
your good ways. Help us to be wise
and to hold on to your good words of life.

Thank you
God
for being closer
to us than the air we
breathe; that you know
us and love us face to face.
Dear God, you have filled the world with
wonderful, amazing things to discover
which are good for us and
bring us life and
happiness and strength.

Thank you
God for making
people. Thank you that
you have made people
able to live and breathe and move
and be friends and choose
and know you our God.
